

model.map.Warehouse.Collect  
Material

model.strategy.BearMove.Move

model.Virologist.GetContext

```
graph LR; A["model.map.Warehouse.Collect Material"] --> C["model.Virologist.GetContext"]; B["model.strategy.BearMove.Move"] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box contains the text 'model.map.Warehouse.Collect Material' and the bottom box contains 'model.strategy.BearMove.Move'. Both of these boxes have a black border. On the right, there is a single box containing the text 'model.Virologist.GetContext', which has a gray fill and a black border. Two blue arrows originate from the right side of the left boxes and point towards the left side of the right box, indicating a relationship or flow from the left boxes to the right box.
